Sheridan, Graham Elected State Senior Vices

Catherine Graham (left front) and Margo Sheridan (right front) as next-in-line officers stand at the front of the during installation ceremonies at the recent State Convention. Sheridan and other VFW State Officers recite the oath of office while the Ladies Auxiliary State Officers stand by. As the State Senior Vice Commander and State Senior Vice President Sheridan and Graham, both John Lyon members, are in line to be elected State Commander and State President, respectively, at next year's convention. Post 3150 has had three VFW State Commanders since the Post was founded nearly 77 years ago --- Austin Matthews (1942-43), George Dalby (1954-55), and C.D. "Doc" Crouch (2006-07) --- and the two Ladies Auxiliary State Presidents --- Virginia Dalby (1950-51) and Winifred Locke (1954-55). Sheridan and Graham would become the second 3150 duo to head the state organizations at the same time. Sheridan would become the first female Virginia State Commander.

From The Commander:

Dear Friends,

With the way the weather and the high temperatures have been going lately, I trust that you've been taking the necessary precautions and guarding against heat injuries such as heat exhaustion and heat stroke. And while you're at it, be sure to keep an eye out for your neighbors and loved ones. The elderly, young children and pets are particularly vulnerable. Stay hydrated – drink lots of liquids, avoid strenuous activity during the hottest part of the day, stay in the shade, and take it easy. Let's keep it a safe summer.

During our recent Post planning meeting, the events calendar for the next six months was finalized and approved. The Auxiliaries' and the Post leadership have scheduled social and fund raising events as well as community and veterans support activities. To be sure, there is certainly something for everyone. I encourage you to participate either by directly helping prepare and conduct an event or simply by showing up and attending. You'll have some fun and support the Post at the same time.

Now, to paraphrase a recruiting pitch from our brethren the Marines - "We're looking for a few good Comrades". The Post is back in full recruiting mode once again. Because of transfers, deaths, and non-renewals the Post needs to replenish its numbers with new members and re-instatements. We're also given membership target numbers which are intended to maintain a sustainable growth. These target numbers are also "must make goals" in order for a Post to attain All State and/or All American status. So if you have a friend, relative, co-worker, neighbor, or an acquaintance that is or has been in the military – there's a very good chance that he or she qualifies for membership in the VFW. Just invite them to join or bring them to the Post and we'll do the necessary checks for eligibility. In the VFW – everybody is a recruiter, including you.

It was recently brought to my attention that in my July article I mistakenly attributed the preamble of the US Constitution (ratified in 1788) to that of the Declaration of Independence (July 4, 1776). I doubled checked and indeed – guilty as charged. The correct quote should have been: "*When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.*"

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness..."

"... We, therefore, the Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States..."

And with that, here we are, 235 years later – still going strong.

Yours in comradeship,

Nelson Betancourt, Commander
VFW Post 3150

From the President of the Ladies Auxiliary:

Dear Comrades and Auxiliary Members:

I read recently that more than 50% of new information disappears from our minds within an hour – even when we're young. So don't worry, after reading my newsletter you will be back to normal within the hour.

If you are a Ladies Auxiliary Annual Member, now is a good time to start thinking about renewing your membership so that you can qualify for our Early Bird Drawing held in November. If you renew before October 31, 2011, you have a chance to win a Lifetime membership or an Annual membership. We draw one lifetime and three annuals. So please renew and good luck. You may mail your check to the Post, attention to the Ladies Auxiliary Treasurer. Information pertaining to all memberships is mentioned later in this newsletter.

Most of the work done around the Post or at a function is accomplished by Volunteers. Our Veterans and our Members are Volunteers. There is no list of people that do the work. Things just get done because someone volunteered their time and did it. It is very important that we appreciate the work of our Members, long time and new, because everyone benefits from what they do, I don't care how small or large the task. Nothing will stop Volunteerism faster than criticism. When you see the numbers of volunteers growing smaller ask yourself, "how can I fix it?" It is our responsibility as members of the John Lyon VFW Post to encourage our Membership with enthusiasm and kindness. After all, we are working for a common cause; assisting our Veterans, their families and our community.

I challenge all of you to embrace a "**new idea**" this year. Be it brought to your attention by a long time member or one of our new members. And then, step aside and let someone do it. We need to **duplicate and recycle ourselves** in order to continue our common cause.

By the way, no, Tom Kane did not write my newsletter last month. I made the mistake of asking his advice and opinion -- will "**nevah**" happen again. Take it easy and I hope to see you around the Post whenever you can make it in. Check the Calendar on the back page to make sure you don't miss an event. If it is for a dinner or food function (other than Brunch) get "**signed up on the sign up sheet**" in the canteen.

Lola D. Kane
President, Ladies Auxiliary 3150

From the President of the Men's Auxiliary:

Dear Brothers and Sisters of the John Lyon Family;

The dog days of summer are upon us and we all need to take care in keeping ourselves and our loved ones cool and hydrated. Look out for those elderly citizens, kids, and pets around you and take an extra step to ensure they are staying cool as well.

I am pleased to announce the Men's Auxiliary acceptance of our newest member, Paul K. Kawada who lives in Hitchins, KY. Paul comes to our organization by way of his brother, Jim Bertine. Thanks for the recommendation Jim and congrats to Paul. Please come by and introduce yourself the next time you are in the Arlington area.

On July 17, 2011, I had the pleasure of receiving CPR and first aid training at the McLean VFW. The course instructor was none other than our own VFW Post Commander, Mr. Nelson Betancourt. Nelson did an excellent job in keeping the course interesting and making it a pleasurable learning experience. We also learned how to use a defibrillator, one of which we have hanging on the wall of our Post home. With the aging population in America (and our Post), I highly recommend you consider taking the course the next time it is offered. None of us knows if we will ever have to use the training we received but being trained may make the difference between someone living or not. I know that if I ever needed that type of assistance, I would welcome someone trying to help me survive.

I also want to take this opportunity to announce that the Men's Auxiliary, in cooperation with the Ladies Auxiliary, will be holding a fund raiser dinner at the Post on Saturday, August 20, 2011, from 4 to 7 PM. We will serve an 8 ounce fried flounder fillet, cole slaw, French fries, hush puppies, and banana pudding for \$12. Kids under 10 eat for free. Please reserve your seating by putting your name down (and those in your party) on the sign-up sheet at the canteen. Or call 703-525-0108.

In closing, I want to remind every member of the John Lyon family what our mission is. We participate in this great organization to serve our veterans. Without their sacrifices throughout the history of our nation, we would not be able to enjoy the freedom that we have today. Let us all resolve to rededicate ourselves to this purpose. Recently, I think some amongst us may have temporarily lost sight of that mission.

"Give up money, give up fame, give up science, give the earth itself and all it contains rather than do an immoral act. And never suppose that in any possible situation, or under any circumstances, it is best for you to do a dishonorable thing, however slightly so it may appear to you... From the practice of the purest virtue, you may be assured you will derive the most sublime comforts in every moment of life, and in the moment of death." ~ Thomas Jefferson

Your Brother in Service;
Michael "Red" Lowe, President, Men's Auxiliary 3150

Renew Now to Qualify for Life Membership Drawings

Post members who renew their dues for 2012 by 30 September will qualify for Life Membership drawings to be held in early October. The drawings were designed to increase the number of Life Members in the Post and to encourage early renewals. There will be a drawing for each of the five youngest age categories established by National, plus one for the two oldest categories which will be combined due to other programs covering these age groups. The result is that all Continuous or Annual members are urged to qualify quickly by renewing their dues by 30 September. New members this year can look forward to qualifying when they renew next year.

Highway Cleanup Rescheduled

The July Highway Cleanup has been rescheduled for Saturday, 6 August. Meet at the Post at 8:30 am for coffee and doughnuts. Come help us earn those "Adopt-a-Highway" signs on Lee Highway. Wear long pants and hard-soled shoes. The Post has gloves, safety vests, and levered pick-up sticks.

The U.S. Coast Guard will mark its 221st birthday on Thursday, 4 August. The post will celebrate this event with a cake cutting ceremony at 7:30 pm. All members are invited to participate in this as well as other service birthdays.

Biorhythms?

Do you remember biorhythms? The editor's must have been in a low cycle last month. He again misquoted Fred Barrett. The story on Florence American Cemetery should have said "The cemetery is the final resting place of many soldiers of the U.S. Fifth Army and the British Eighth Army.

Purple Heart Day

The Post will hold a short ceremony to honor those who were awarded a Purple Heart on Sunday, 7 August at 3 pm. All members are invited to attend.

John Lyon Shirt and Cap Days

John Lyon Shirt and Cap Days will be held this summer on Saturday and Sunday, 13 and 14 August. All 3150 members are urged to wear their John Lyon shirts and caps wherever they go those days in an effort to show the people of Arlington that we are here. Last year's effort (seen above) prompted townfolk to ask about the Post and Auxiliaries. All participants are asked to stop by the Post for a group photo after brunch on Sunday at 2pm. Be prepared by digging your tee-shirts and caps out of the closet or getting a new one at the post home if you need one. The Post has a new supply of the John Lyon tee-shirts in blue, grey and other colors for \$15.

Free Steak Dinner! Reasons to Renew Your Membership Now

Even though your annual membership card is good until December 2011, the VFW has begun sending out renewal notices. As it takes a while to get everyone renewed, the process begins early. Why do it now?

1. Post and Auxiliary members who renew early will qualify for 3150's free Early Bird Dinner in October. Last several years it has been a great steak!

2. Post members will qualify for the Life Membership drawing done at the Early Bird Dinner. There will be six drawings, one for each of the five youngest year categories, plus one for the two oldest year categories (The post will continue its program to purchase a Life Membership for those annual members who will be 71 years old by 30 June of each year and who have been members of Post 3150 continuously for the previous five years.). Those who "go Life" and whose names are drawn will receive a refund for the Life membership payment, so you are not penalized for "going Life" when you renew.

2a. Ladies Auxiliary 3150 has a Life Membership and three Annual Membership drawings in November for memberships for those who renew by 31 October.

3. Avoid all those renewal reminders, letters, and phone calls.

Respond to your renewal notice or send a check to the Post Quartermaster (\$30 or Life membership), Ladies Auxiliary Treasurer (\$25 or Life membership), or Men's Auxiliary (\$30). VFW members may also renew on-line at www.vfw.org. Click on Login in upper right corner, then login or create an account, then "Click Here to Access New Online Membership System..."

Consider that Life Membership. For VFW and Ladies Auxiliary Life memberships, see tables below. The VFW is making it easy by providing two options: Lump sum payment, and 12 month payment plan. For the payment plan, there is a one-time \$35 payment and the VFW will bill you monthly for the remainder. Post 3150 will reimburse you the \$35 when your status changes to "Life". Send a note to the Post to receive the rebate.

The VFW is also offering an automatic payment for annual and installment memberships. You provide your credit card and they will automatically charge the card at the appropriate interval. See your renewal notice or the website for further information.

Membership in the Ladies and Men's Auxiliaries is open to men and women whose spouse, parent, grandparent, child, grandchild, sibling, (and half-sibling who attain the status prior to the age sixteen) was or is eligible for membership in the Veterans of Foreign Wars of the United States of America. Documentation is required as it is for the Post. Members must also be at least sixteen years old. Those whose family members might be interested can get further information at the Post.

Veterans who served overseas in an active or passive war zone are likely eligible for the VFW. The best check is receipt of an Expeditionary or Campaign Medal, although some other qualifiers exist. The most common are World War II, Korean War and subsequent service there, Vietnam War, Desert Storm, and the current Afghanistan and Iraq Wars, but other campaigns and situations, such as Bosnia, Panama, Cuba, and Imminent Danger Pay also qualify. A DD Form 214 or other documentation which shows the qualification is required. Further information is available at the Post.

"New VA Disability Regs re IBS, FM, ME/CFS

"Effective Aug 15, new Veterans' Affairs regulations will allow disability coverage for vets with 'unexplained chronic multi-system illnesses' without requiring proof that there's a connection between the illness and military service. That is, the connection is 'presumed.'

"Specifically, this applies to vets whose active military duty occurred in and whose symptoms first appeared in the Southwest Asia Theater of military operations* between Aug 2, 1990 (start of first Gulf War) and the present.

"The illnesses, which must have lasted at least 6 months (and be at least 10% disabling by Dec 31, 2011), include chronic fatigue syndrome (ME/CFS), fibromyalgia, 'functional gastrointestinal disorders' such as irritable bowel syndrome, and other unexplained/undiagnosed illnesses with various symptoms such as fatigue, neurological disorders, and sleep problems, etc.

"See ['Presumptive' Disability Benefits for Certain Groups of Veterans](http://www.vba.va.gov/VBA/benefits/factsheets/seviceconnected/presumptive.doc) (<http://www.vba.va.gov/VBA/benefits/factsheets/seviceconnected/presumptive.doc>)

"*The Southwest Asia Theater* includes 'Iraq, Kuwait, Saudi Arabia, The neutral zone between Iraq and Saudi Arabia, Bahrain, Qatar, The United Arab Emirates, Oman, Gulf of Aden, Gulf of Oman, waters of the Persian Gulf, the Arabian Sea and the Red Sea and the airspace above these locations.'

"Family Caregiver Stipends/Training

Additionally, family caregivers of veterans seriously injured in the line of duty on or after September 11, 2001 should look into the VA's caregiver training & stipend program, intended to help these vets remain at home surrounded by family and friends.' For information and an

What's with "Comrade"?

Some new members may be taken aback when first hearing someone referring to another member as "Comrade". The VFW goes back 112 years to the end of the Spanish-American War. We have all heard the phrase "comrade in arms" and it is likely the Spanish-American War vets began using "Comrade" as a shortened version of this phrase --- way before another group started using the term.
